

WHO WE ARE

Cabins 4 Kids is a partner organization working to build environmentally low impact semi-permanent camp cabins.

As believers, we know that God calls us to help those in need, and think camps provide superior outreach tools that enable youth to learn about God's love in a nature-filled environment.

These cabins, used as sleeping quarters, provide a unique atmosphere for teaching and developing young minds during camps. Each cabin cost \$3,500 but for only \$13 a square foot, your direct contribution can shape the next generation by providing a place of community for kids at camp.

Join us as we make eternal investments in eternal souls.

PARTNER WITH US

Cabins 4 Kids have partnered with Camps International, a 501 (c) (3) organization, to collect and distribute donations, given by people like you and me, to fund the building of these environmentally low impact camp cabins.

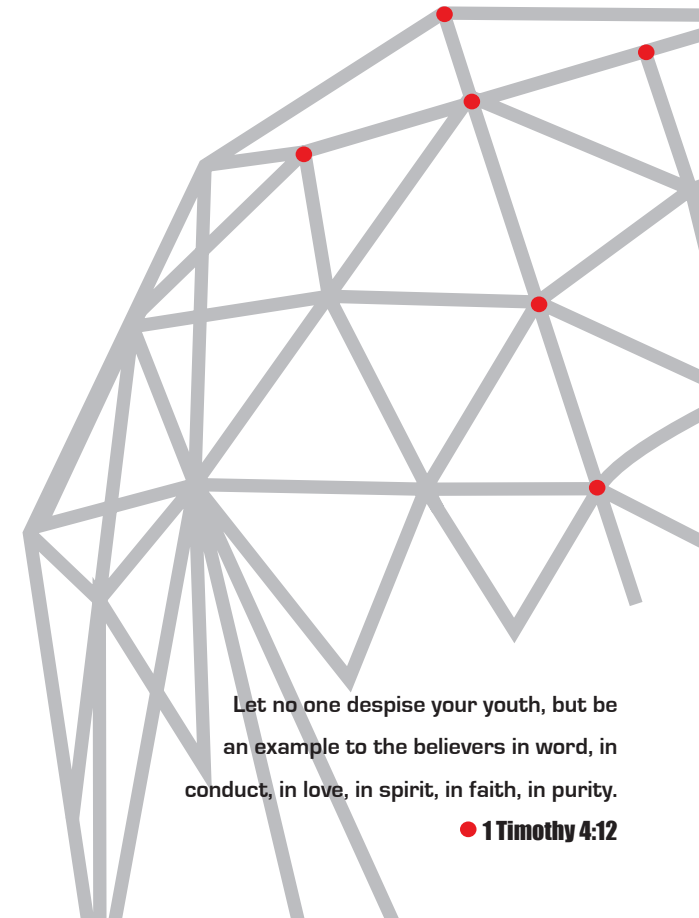

For more information on Camps International or to donate online with PayPal, please visit:

KIDS
ETERNAL INVESTMENTS
IN ETERNAL SOULS

Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity.

● **1 Timothy 4:12**

MEXICO - THE KIDS

Children in Mexico come from many different backgrounds. These children often have a limited or inaccurate knowledge of God. Fortunately, Christ-centered camps allows for priceless opportunities to learn about Jesus Christ.

By providing a safe environment for hundreds of otherwise unreached kids, camps relay the love of Christ through interaction with devoted leaders and believing peers.

Mexican children at a day camp in the highlands of Central Mexico.

HOW CAN YOU HELP?

As reflected in recent news, Mexico may seem like a frightening place. So, imagine what life is like for the kids who grow up amidst these hardships. Cabins 4 Kids creates opportunities for kids to learn fundamental life lessons, and more importantly, be introduced to God.

Currently, camps across Latin America are developing innovative ways to operate and organize such ministries. A vital component of camps is a portable, weatherproof shelter. Cabins 4 Kids' geodesic-based cabin is an affordable, practical, and fun way to meet this need.

For \$3,500 (\$13/sq. ft.), one of these domes can be completely operational, creating a safe environment for kids to encounter the unconditional love of Christ.

We need your help. Please support Cabins 4 Kids as we raise money to equip camp directors with the resources they need to be effective for the Kingdom of God.

ABOUT THE CABINS

During camp season, the amount of daily rainfall makes adequate, safe shelter for campers imperative.

This style of cabin has a 5.5 meter diameter and are made of tubular metal pipes, bolts, and durable weatherproof tarp.

These low impact structures are semi-permanent and therefore, easily transported, making for an ideal housing option at camps.

"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age. Amen."

-Jesus (Matthew 28: 19-20)
